This will make the morning delivery of the mail one hour earlier. Mail will be collected on the post at the following hours: In the main garrison before 7 a. m., 10 a. m., and 2:30 p. m. In the cantonment before 7 a. m. and 2:30 p. m. Office hours for the postoffice will remain the same, 8 a. m. to 5 p. m., except Sundays and holidays. The department hospital is already making elaborate preparations for the entertainment of the patients of the hospital at Christmas and also for the happiness of the children of the non-commissioned officers and enlisted men attached to the hospital for duty. Col. Frank R. Keefe, Medical Corps, in charge of the department hospital, has taken the deepest interest in the matter of the Christmas entertaining and has given each project his personal attention and direction.
